Fasken 2020 First Year Law Internships

Fasken is pleased to announce we are accepting applications for the following 2020 Summer Internships - Tax, Competition and Legal Innovation. These are paid positions.

We are seeking first-year law students (or second-year students in an applicable combined program) with a strong academic record, diverse interests and a demonstrable interest in pursuing a career in one of the above areas.

Tax Internship:

The program will run from May 4, 2020 through August 7, 2020. The internship is designed to provide an excellent opportunity to work as part of a Bay Street tax team on projects that will help develop two of the most critical skills of a successful tax lawyer: detailed tax analysis and business development.

Competition Internship:

The program will run from May 4, 2020 through August 7, 2020 and will be an exciting opportunity to work on special projects involving knowledge management and business development with members of the Antitrust/Competition & Marketing Group.

Legal Innovation Internship:

The program will run from May 4, 2020 through August 7, 2020 and will involve working on special projects with members of our Legal Innovation Team. This is an exciting opportunity to define the future state of our practice with some of the best minds in the industry.

To apply, go to <https://www.fasken.com/en/careers/lawstudents/toronto>. Applications will be accepted between February 19 and February 26, 2020. Applications must include a cover letter, resume and law school and undergraduate transcripts. We anticipate that interviews will take place between March 18 and March 27, 2020.

Open House:

An Open House will be held at our Toronto office on February 19, 2020 from 4:00 to 6:00 p.m. At this time you will be able to hear from representatives of the above groups and have your questions addressed. Please email Ashleigh Rogers (arogers@fasken.com) to register.
